Position 6	60	

Tournament format
Qualification <i>/!\ 2 entries are mandatory to be ranked in the individual ranking.</i> <i>/!\ At registration (before the squad), athletes and team have to choose if the score of this squad will count for scratch division or for handicap division. It can't be decided afterward. To compete in the handicap division, the athlete(s) has to show a certified average by its national federation.</i> <i>If an athlete is qualified in both scratch and handicap divisions, he has to choose (after the qualifications) in which final he wants to compete.</i>

Trios

Each trio bowls 4 games, which concludes the trio competition.

An athlete can be ranked, in the trio competition, with multiple teams. But, if a team with exactly same players plays several squads, only the best squad will be taken into account.

Individuals

For the individual competition, athletes are ranked on 8 games. The 2 best squads are used for the individual ranking. Re-entries are not limited and an athlete can play with different partners each squad.

For each scratch and handicap divisions:

Top 3 qualifies for the Final step 3. Athletes are seeded 1-3 for final Step 3.

Players from 4 to 7 qualify for the Final step 2. Athletes are seeded 4-7 for final Step 3.

Players from 8 to 28 qualify for the Final step 1.

Desperado squad (Scratch division only)

1 game for each athlete.

Top 4 qualifies for the Final step 1.

Final Step 1

Scratch division

24 athletes will play 5 games, starting from scratch.

Top 12 qualifies for the final Step 2. Scores are used to assign seeds from 8 to 19.

Eliminated athletes are ranked from 20 to 31 according to total pinfall.

Handicap division

20 athletes will play 5 games, starting from scratch.

Top 12 qualifies for the finale Step 2. Scores are used to assign seeds from 8 to 19.

Eliminated athletes are ranked from 20 to 27 according to total pinfall.

Final Step 2

For each division:

The 12 athletes of Final step 1 + 4 athletes (from the qualification) seeded 4-7 are divided in four groups of four athletes.

The groups will be divided as follows:

Group A: Athletes seeded 4, 11, 15 and 19

Group B: Athletes seeded 5, 10, 14 and 18

Group C: Athletes seeded 6, 9, 13 and 17

Group D: Athletes seeded 7, 8, 12 and 16

There will be three games for the four groups, starting from scratch.

Top 2 of each group qualify for the Final step 3.

The athlete with the highest score of the non-qualified athletes is the "lucky looser" accesses Final step 3.

Eliminated athletes are ranked from 13 to 19 according to total pinfall.

Final Step 3

For each division:

The 9 athletes of Final step 2 + 3 athletes from the qualification seeded 1-3 are divided in three groups.

The groups will be divided as follows:

Group 1: Athlete seeded 1, winner of group D, runner up of group C, the lucky loser.

Group 2: Athlete seeded 2, winner of group B, runner up of group D, runner up of group A.

Group 3: Athlete seeded 3, winner of group A, winner of group C, runner up of group B.

There will be three games for the four groups, starting from scratch.

Top 2 of each group qualify for the Final step 4.

Eliminated players are ranked from 7 to 12 according to total pinfall in step 4.

Final Step 4

For each division:

Athletes will play a Round Robin with pinfall from step 3 carried forward. There will be 5 one game matches in the Round Robin.

After the conclusion of each match in all 5 rounds, bonus points will be added to the score total as follows: 30 points for a won match and 15 points for a tied match.

The final ranking is established on the total pin fall of the Final step 3 and the pinfall + bonus of Final step 4.

Tournament tie rules

Qualification

The highest positioned athlete/team will be the athlete/team scoring the highest last game (handicap included for the handicap division). If a tie still exists, the highest positioned athlete/team will be the athlete/team with the highest second last scratch game etc.

Desperado

A tie influencing who will qualify for the first final step will be broken by playing a one-ball roll off on a full set of pins, repeated until the tie is broken. (Two practice balls per player, one a different lane from those where the players played their game)

Final Step 1

The highest positioned athlete will be the athlete scoring the highest last game (handicap included for the handicap division). If a tie still exists, the highest positioned athlete will be the athlete with the highest second last game etc.

Final Step 2-3

A tie influencing who will qualify for the next step will be broken by playing a one-ball roll off on a full set of pins, repeated until the tie is broken. No practice balls. On the same pair of lanes.

Final Step 4

The highest positioned athlete will be the athlete scoring the highest last game (handicap included for the handicap division, without match bonus). If a tie still exists, the highest positioned athlete will be the athlete with the highest second last game etc.
